PRESIDENT'S FOREWORD

I am extremely happy to announce that the Council of Architecture shall be conducting Postgraduate Entrance Test in Architecture 2025 (PGETA) examination at National Level on May 04,2025, May 25,2025 and June 15,2025, for admission to the Postgraduate programme being imparted at the Architectural Institutions approved by the Council for the academic session 2025-2026. The brochure and other details of PGETA are available at the Council's website www.coa.gov.in and PGETA website www.pgeta.in.

The Test is designed strictly based on the minimum standards prescribed by the Council. This will facilitate students to avoid appearing in multiple Entrance Tests being conducted by different authorities/ institutions. After qualifying in the Test, students can take admission in PG courses being imparted in Architectural institutions all over India.

I am also pleased to announce that the Council, as an initiative to support the meritorious candidates, has decided to grant scholarships to top 100 qualifying candidates in PGETA 2025, who secure admission to the 1st year of a two-year Post Graduate programme in Architecture for the academic session 2025-2026.

The Council is making all efforts to ensure that the Architectural Education and Profession in the country is fully equipped to ensure a healthy and happy built environment duly protecting natural resources, culture and heritage of India as well as to avail global professional opportunities.

I, on behalf of the Council of Architecture, wish you all the very best to all candidates and congratulate you for moving ahead with a specialised field of study in Architecture.

A handwritten signature in black ink, reading 'Prof. Abhay V. Purohit'.

Prof. Abhay V. Purohit
President
Council of Architecture

1.0 Introduction

The Council of Architecture (CoA) is an autonomous statutory body of Ministry of Education, Government of India, constituted under the provisions of the Architects Act, 1972. The came into force with effect from 1st September, 1972, to provide for registration of Architects, standards of education, recognized qualifications and standards of professional conduct and etiquette to be complied with by the architects. The Council is vested with the responsibility of maintaining the register of architects on national basis as well as regulating the Architecture education and practice of Architecture profession throughout India. For this purpose, the Government of India has framed Rules and Council has framed Regulations as provided for in the Architects Act, with the approval of Government of India.

There are about 400 Institutions presently imparting architectural education in India leading to recognized qualifications. About 100 institutions are running PG courses in architecture. The minimum standards of education to be imparted in architectural institutions (constituent colleges/ departments of universities, deemed universities, affiliated colleges/ schools, IITs, NITs and autonomous institutions) are prescribed and monitored by Council of Architecture by way of Regulations and norms & standards prescribed from time to time, which set forth the requirement of eligibility for admission, course duration, standards of staff & accommodation, course content, Entrance Test etc.

The CoA oversees the maintenance of the standards periodically by way of conducting inspections. The CoA is required to keep the Central Government informed of the standards being maintained by the institutions and is empowered to make recommendations to the Government of India with regard to recognition and / or de-recognition of a qualification.

2.0 About PGETA

The Council is conducting “Council of Architecture Postgraduate Entrance Test in Architecture” (PGETA) for admission to first year of 2-year Post-Graduate Degree Course.

The Council in its 77th Meeting held on 15th July, 2022 approved Council of Architecture (Minimum Standards of Architectural Education for Post-Graduate Degree Programme) Guidelines 2022, for imparting Master's degree Course in Architecture. Clause 4(ii) of these Guidelines provides as under:

“The candidate needs to qualify an Entrance test for admission to Post-Graduation Programme in Architecture complying with the Admission Norms prescribed in Appendix-D of “ **Minimum Standards of Architectural Education for Post-Graduate Degree Programme Guidelines.**”

The Council in its 81st meeting held on 02.09.2023, decided that Admission to Post-Graduate.
